

MARCHING SONG (Tune of the Great Escape)

Hillmen – we are Hillmen
Marching in victory forever,
Our spirits soaring
With voices roaring
Praises to our Senior Hill

Spirit, we're men of spirit,
Together, our foes will ever fear it,
We sing out story
of feats of glory.

(1) Hillmen of Camp Saginaw

(2) Hillmen forever

Look up you Freshmen, Hill Hawks will fly tonight,
Harken, you Sophomores, You'll hear our cry tonight,
Tremble, you Inters, as we roar on with might,
So now you know who we are.

REPEAT WHOLE REFRAIN

Harmony for Part 2
Second Stanza:

Hill Hawks are soaring, our voices roaring,
Hill-men marching on to victory, so
Hill Hawks are soaring, our voices roaring,
Hillmen forever.

MIGHTY HILLMEN

Mighty Hillmen,
smash the foe
Leaving rivals
far below,
Hawks are ready, victories grow
None can stop us,
no matter where we go
Hillmen marching onward with their spirits high
With a hope that never dims, and cannot die,
Mighty Hillmen,
take the field,
We will show them that
we will never yield.
Thunder on, thunder on, to victory,
Thunder on, thunder on, make history
Our Hillmen are going to win today
So on Hillmen, down the field
Our banners held high
On into battle with a might cry,

FIGHT

(Tune from the Fighting Song from the Opera Aida)

1. Fight through, we know our hearts are true
Fight on to victory
Keep your spirits high
Let us shout
Sing it out
We are true
2. We'll win, knowing we won't give in
Till we reach victory
You will thrill
Yes you will
To the men of the Hill
3. A glorious day for all
The foe's team is bound to fall
As striving with all our might
We'll meet
We'll greet
defeat tonight
4. Fight through, we know our hearts are true
Fight on to victory
Keep your spirits high
(You will thrill
Yes, you will, we are the Hill) – Repeat twice

The Hillmen all, are clothed with fame
They hold their banners high
All will shudder at the name
Their glory lights the sky

IT TAKES A HILLMAN

CHORUS:

It takes a Hillman to sing a Hillman song,
It takes a Hillman to sing a Hillman song,
It takes a Hillman to sing a Hillman song,
I'm a Hillman now, and I'll be a Hillman long.

- (1) Once I was a Junior, I liked it might fine,
Then I was an Inter, for a long long time.
Now I am a Hillman, and while I sing this song,
I'm a Hillman now, and I'll be a Hillman long.
Two, Three, Four

CHORUS:.....

- (2) Twice there was a ball game, things looked mighty low
Then Old Herbie Cohen put things on the go,
One by one those Hillmen started to sing this song,
They were then, but they didn't stay worried long.
Two, Three, Four

CHORUS:.....

- (3) First you take some spirit, then you take some class
Then you take some loyalty, and that provides the gas
Then you take that fuel, put it into each soul
Yes, that's the mixture, that makes us Hillmen roll.
Two, Three, Four

CHORUS:.....

HILL SPIRIT
