Flowers Bloom (Friendship)

Flowers bloom in the spring of each passing year
They soon fade and die away
To sleep for another year
Friendships made, at Saginaw also bloom
Yet they never die away
They take root and stay
Winter's cold may blot out the flower's bloom
The distance sets us apart
These fiends live in every heart
Saginaw, we thank you for friends so true
The sisters we've grown to be – have been bonded by you

Shout it Through The Camp

Shout it through the camp so everyone can hear it Saginaw Seniors
Spirit and emotion carry devotion – Saginaw Seniors
Our voices join in harmony
Setting the pace for victory
So shout it through the camp so everyone can hear it – Saginaw Seniors
Bonds of friendship keep us united infinitely, yeah, yeah
Green and blue combined with faith and trust entwined
With our banner held up high
You can hear our victory cry
So shout it through the camp so everyone can hear it – Saginaw Seniors
Saginaw Seniors, Saginaw Seniors, Fight!

Unfurl the Senior Banner

Unfurl the Senior banner
Run around in royal manner
Cheer for the Senior girls – rah rah rah rah rah rah rah

Our girls will stick together
Sunshine and stormy weather
Cheer for the senior girls

So watch us march march on down the field
Cheering for Seniors

Praise to the boys who have their strength to defy
We'll all cheer for senior girls
We're here to win again
The senior boys will fight to the end but the girls will win

We're Seniors
We're Seniors
We're Senior girls
Senior girls Seniors
(back to beginning repeat)

Saginaw Seniors Cheer

We're the Saginaw Seniors, we're the sexy seniors
Coming down from Society Hill
We're the cream of the crop, don't let the subject drop
With our beauty ,brains, and skill
Our division head is Ellen Mager, she's for you and she's for me
Hal is our other man, aren't you a Hal Brooks fan?
Those Saginaw guys think they are a prize, but we must disagree
We wish they'd come in larger size, 6 foot instead of 3

There's always hope, there's hope
Don't sit around and mope
That's why we're always there
With curlers in our hair.
We're the Saginaw Seniors, we're the sexy seniors
All you have to do is look
We're the Saginaw Seniors, we're the sexy seniors
We're the best in my book. Seniors!

Have you heard the news – Senior song

Have you heard the news about the Senior Girls
We're gonna set this world a turnin'

CHORUS

Go Seniors, go go seniors
go, go, go – keep those fires burning

Down from the hill comes the mighty cry that the seniors will not fall
The roar of the victors rip through the camp, the Senior Girls of Saginaw

CHORUS

Go Seniors, go go seniors
go, go, go – keep those fires burning

Now you've heard our song, and time will prove us true
Don't cross our paths, don't make us mad
We hate to have to clobber you

CHORUS

Go Seniors, go go seniors
go, go, go – keep those fires burning

Have you heard the news about the Senior Girls
We're gonna set this world a turnin'

CHORUS

Go Seniors, go go seniors
go, go, go – keep those fires burning

Acropolis Fight Song

Fighting for the honor of Saginaw
Senior girls, we will win
If we stick and work together
We'll get ahead
And we'll never see defeat

Now hear us, senior girls of Saginaw
We're all for you
Hearts are true
Red and blue
If we stick and work together
We'll get ahead

And we'll never see defeat

With our heads held high we sing to thee
As we march right on to victory
We'll blaze our trail of glory
For the honor of Saginaw

With our hearts full of laughter,
We'll greet a brand new day
Our spirits grow higher
As we work and play
Singing together, we'll march on our way
Shouting praises to our Saginaw
(repeat chorus in round)

With our heads held high we sing to thee
As we march right on to victory
We'll blaze our trail of glory
For the honor of Saginaw

Now hear us,
Fighting for the honor of Saginaw
Senior girls, we will win
If we stick and work together
We'll get ahead
And we'll never see defeat
