

**Goofy Day 1971**  
**Donald Ducks Fight Song**

(Sung to the tune of Green, Green by the New Christy Minstrels)

Quack, Quack said the Donald Ducks

As they strode on to the field

Mickey Mouse better step back jack

Cause the Ducks will never yield!

We started with the books on top of our heads

To the pit stop we did go

A little splish splash on the Newcomb Court

And a smooth Jamacian Limbo
