

## **Hill Alma Mater**

(Sung to Edelweis)

Saginaw, Senior Hill, in our hearts we'll remember

How our lives spent with you

Always guide us forever

(Chorus)

Warm golden memories ebb and flow,

ebb and flow—forever

Songs of praise, happy days

Spent in friendship together

Saginaw, Hillmen rise, standing firm in a promise

We will e're thing of thee

When camp days are behind us

(Repeat Chorus)
