

Victory's Our Byword

Victory's our byword
As our voice is lifted skyward
Sing as we take our colors ever onward
Sing as our voices ever grow.

Seniors forever
High in this our great endeavor
Thrill as we rally to a mighty victory
Thrill as we conquer every foe.

Sing-let them hear us
Every enemy will fear us
Fight for the banner that is dearest to you
Fight for the banner of the Hill.

Worlds shake and tremble
As we gather to assemble
All ye men whose blood is red with fighting spirit.
Fight for the banner of the Hill.

Seniors to the field; get out and fight!
Seniors to the field; get out and fight!
Seniors to the field; get out and fight!
